NASA	"Concurrent bandwidth feedback"	Microphone feedback	"Simulink"	"Statistically significant"
Steve Robinson	Blatant Typo	IRB	"Beyond the scope of this work"	"Next Steps/Future Work"
Someone in the audience left their mic on	Laptop Malfunction	Free Space	Human Performance	"Python module"
"Trivial"	Logan Halstrom as test subject	"That's an interesting/good question"	"Can you see my screen?"	Repeated use of "um"
Hess leaves quickly after brief praise	People talking over one another	Speaker sucks up to host	"Tracking"	Speakers video freezes/audio drops out

Bingo
John Karasinski's Exit Seminar
28 April 2020

3rd Party Tech (Hololens)	"Next Steps/Future Work"	"Can you see my screen?"	NASA	Speaker Runs out of Time
"Simulink"	Student working without paying attention	"Python module"	Speaker sucks up to host	Entire slide filled with equations
IRB	Hess leaves quickly after brief praise	Free Space	Haptic/tactile feedback	Speakers video freezes/audio drops out
Microphone feedback	"I think you're muted"	Steve answers question addressed to John	"Results are Contradictory"	"Leverage"
"The data clearly shows..."	"Trivial"	People talking over one another	Hafez Asks a Question	"Tracking"

Bingo
John Karasinski's Exit Seminar
28 April 2020

"Leverage"	Cell Phone Goes Off	Laptop Malfunction	Unintended pun	Hess leaves quickly after brief praise
Human Performance	Blatant Typo	Microphone feedback	"I think you're muted"	"Trivial"
Logan Halstrom as test subject	"Simulink"	Free Space	Speakers video freezes/audio drops out	"Statistically significant"
"Tracking"	Steve answers question addressed to John	Repeated use of "um"	"I have to go over to another call..."	IRB
"Circle back"	Speaker sucks up to host	Speaker Runs out of Time	"Python module"	"...et al."
